

Salish Family, Youth, System Partner Round Table (FYSPRT)

Charter

A. Purpose and Goals

FYSPRT Goals

1. Improving quality of life for youth and families by reviewing region-wide performance and making recommendations through collaborative engagement of youth, families and system partners.
2. To support system improvements by enhancing strengths and eliciting challenges and barriers from Salish FYSPRT membership and develop collective recommendations to share with Statewide FYSPRT members.

Primary Functions

The primary function of the Salish FYSPRT is to provide oversight of Clallam, Kitsap, and Jefferson Counties Children's Behavioral Health System of Care (SOC) and the Recovery- Oriented Systems of Care (ROSCs), including Wraparound with Intensive Services and the State Youth Treatment – Improvement (SYT-I) grant, in collaboration with the Division of Behavioral Health and Recovery. The Salish FYSPRT will recommend strategies to Statewide FYSPRT, in order to provide behavioral health services and supports for children and youth as well as monitor and review both process and outcome indicators. The Salish FYSPRT provides leadership to influence the establishment and sustainability of SOC values 1) Family driven and youth guided, 2) cultural and linguistic appropriate services, and 3) community-based services. The Salish FYSPRT also supports a youth-focused ROSC to develop and support efforts that assist in strengthening a coordinated network of care for youth based on existing community resources and supports, with the opportunity to identify potential new supports. FYSPRT members support the six goals of the Washington State SOC including:

- 1) Infuse SOC values in all child-serving systems.
- 2) Expand and sustain effective leadership roles for families, youth, and system partners.
- 3) Establish an appropriate array of services and resources region-wide, including home- and community-based services.
- 4) Develop and strengthen a workforce that will operationalize SOC values.
- 5) Build a strong data management system to inform decision-making and track outcomes.
- 6) Develop sustainable financing and align funding to ensure services are seamless for children, youth and families.

System of Care and Recovery-Oriented Systems of Care goals, values and principles are monitored to determine the degree of integration into institutional processes and behavioral health service delivery. FYSPRT responsibilities include:

- Substantive engagement in quality improvement practices;
- Providing input into children's behavioral health priorities, direction and approaches;

- Collaboration to accomplish goals and values related to SOC and ROSC

Authority

The Salish and Statewide FYSPRT operates with the support of the SOC and ROSC Executive Teams and DBHR Management.

Communication Responsibilities

- Maintain communication with the Children's Behavioral Health Leadership Team.
- Members will bring updates from their community or system to identify trends that may be occurring across the region for further dialogue and/or brainstorming solutions.
- Review WISE team reports.
- Respond to information requests from members around WISE implementation and/or other initiatives.
- Complete Challenge and Solution Submission Form to propose topics for the Statewide FYSPRT agenda.

B. Membership

Membership will include:

- The Family, Youth, and System Partners Tri-Leads,
- Representatives from the Children, Youth and Family Behavioral Health Section at DBHR,
- Representatives from partners in child-serving systems, including Rehabilitation Administration, Developmental Disabilities Administration, Children's Administration, Office of Superintendent of Public Instruction, Department of Health, and Health Care Authority
- Tribal representative,
- Interested parties from Clallam, Kitsap, and Jefferson Counties

Responsibilities of a FYSPRT Member

It is intended that the Salish FYSPRT leverage the experiences, expertise, and insight of key individuals, organizations, and departments that are committed to sustaining systems of care. FYSPRT members are not directly responsible for managing project activities but provide support and guidance for those who do. Thus, individually, members will:

- Practice respectful honesty.
- Help move their respective part of the system towards system of care values and principles in workforce development, policies, practice, financing, and structural change.
- Bring successes and challenges to FYSPRT Tri-Leads for feedback and support.
- Be prepared to utilize individual and agency strengths to complete identified tasks.
- Identify barriers/challenges and approaches to resolve issues.
- Identify strengths/initiatives/projects of existing system agencies that support systems of care.
- Educate other system of care partners about SOC and ROSC values and the function of the FYSPRTs.
- Celebrate successes integrating SOC values and principles in activities/events.
- Review WISE outcome data.

Leadership

Tri-Leads, one family, one youth and one system partner, shall be selected from the membership through self-nomination consistent with the rotation schedule or as needed. The Tri-Leads will collaborate to facilitate and lead the Salish FYSPRT meetings and communication.

C. Meetings

Schedule

The Salish FYSPRT meets once a month, rotating through Kitsap, Clallam, and Jefferson counties. If possible, the meeting will take place on the last Monday of the month from 3:00-5:00pm.

Agendas

An agenda for regularly scheduled meetings will be developed by the Salish FYSPRT Tri-Leads and Salish FYSPRT coordinators, with input from FYSPRT members.

Process

- Meetings will be open to whoever wants to attend.
- Agenda with follow up items, new items and next steps will be utilized.
- Decisions within regularly scheduled meetings will be by the FYSPRT members in attendance using the consensus decision making process. Quick action items between meetings will be made by Salish FYSPRT Tri-Leads with feedback from the membership when possible.

Accountability

Salish FYSPRT is committed to open, transparent and public processes. Meeting notes will be distributed after each meeting to members for their review and then posted on the Salish FYSPRT website <https://www.salishfysprt.org>.
